

# EL PRACTICÓN

An aerial view of a miniature model city street. In the foreground, a red car is on a road with white dashed lines. To the left, a white car is on a road with white solid lines. In the background, a white car is on a road with white dashed lines. A roundabout with a green center is on the left. A building with a red roof and white walls is on the right. A yellow starburst graphic is on the right side of the image.
